NATIONAL CERTIFICATE

Environmental Practice

National Certificate: Environmental Practice

Open for New Enrolments

Programme / Qualification ID	NQF Level	Credits	Programme Type
49605	2	128	National Certificate

01 Programme Overview

The National Certificate: Environmental Practice introduces learners to practical environmental management and responsible use of natural and built-environment resources. Learners develop foundational skills for identifying environmental impacts, using resources responsibly, supporting environmental protection activities and applying basic environmental practices in workplaces and communities.

02 Key Learning Outcomes

- Apply basic environmental principles in the workplace.
- Use resources in an environmentally responsible manner.
- Recognise activities that may negatively affect the environment.
- Contribute to avoiding, reducing or remedying environmental impacts.
- Operate within basic environmental, safety and quality requirements.
- Participate responsibly in environmental and community activities.
